

NOTICE OF PUBLIC HEARING
ON PROPOSED PROJECT
AND FINANCIAL ASSISTANCE
RELATING THERETO

Notice is hereby given that a public hearing pursuant to Section 859-a(2) of the General Municipal Law of the State of New York (the "Act") will be held by Chemung County Industrial Development Agency (the "Agency") on the 22nd day of November, 2013 at 9:00 o'clock a.m., local time, at the Hazlett Building, second floor conference room, located at 203 Lake Street, in the City of Elmira, Chemung County, New York in connection with the following matters:

The International Brotherhood of Electrical Workers LU 139 Building Corp., a 501(c)(2) corporation (the "Company"), has submitted an application (the "Application") to the Agency, a copy of which Application is on file at the office of the Agency, which Application requested that the Agency consider undertaking a project (the "Project") for the benefit of the Company, said Project consisting of the following: (A) (1) the acquisition of an interest in a portion of a certain parcel of land containing approximately 0.73 acres located at 415 W. Second Street (tax map # 89.18-5-13) in the City of Elmira, Chemung County, New York (the "Land"), together with an approximately 17,000 square foot building located thereon (the "Existing Facility"), (2) the renovation of the Existing Facility and associated parking thereon (collectively, the "Facility") and (3) the acquisition and installation therein and thereon of certain machinery and equipment (the "Equipment") all the foregoing to constitute offices and a career training facility (the Land, the Facility and the Equipment being collectively referred to as the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real estate transfer taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

The Agency is considering whether (A) to undertake the Project, and (B) to provide certain exemptions from taxation with respect to the Project, including (1) exemption from mortgage recording taxes with respect to any documents, if any, recorded by the Agency with respect to the Project in the office of the County Clerk of Chemung County, New York or elsewhere, (2) exemption from deed transfer taxes on any real estate transfers, if any, with respect to the Project, (3) exemption from sales taxes relating to the acquisition, construction, renovation and installation of the Project Facility, and (4) in the event that the Project Facility would be subject to real property taxation if owned by the Company but shall be deemed exempt from real property taxation due to the involvement of the Agency therewith, exemption from real property taxes (but not including special assessments and special ad valorem levies), if any, with respect to the Project Facility, subject to the obligation of the Company to make payments in lieu of taxes with respect to the Project Facility. If any portion of the Financial Assistance to be granted by the Agency with respect to the Project is not consistent with the Agency's uniform tax exemption policy, the Agency will follow the procedures for deviation from such policy set forth in Section 874(4) of the Act prior to granting such portion of the Financial Assistance.

If the Agency determines to proceed with the Project, the Project Facility will be acquired, constructed, reconstructed and installed by the Agency and will be leased (with an obligation to purchase) or sold by the Agency to the Company or its designee pursuant to a project agreement (the "Agreement") requiring that the Company or its designee make certain payments to the Agency.

Pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the "SEQR Act") and the regulations (the "Regulations") adopted pursuant thereto by the Department of Environmental Conservation of the State of New York

(collectively with the SEQR Act, "SEQRA"), by resolution adopted by the members of the Agency on November 7, 2013 (the "SEQR Resolution"), the Agency received copies of, and has reviewed, the Application, and an environmental assessment form prepared by the Company (collectively, the "Reviewed Documents") and, based upon said Reviewed Documents and the representations made by the Company to the Agency at this meeting, the Agency determined that the Project is a Type II Action and the Agency determined that no environmental impact statement or any other determination or procedure is required under the Regulations with respect to the Project.

The Agency will at said time and place hear all persons with views on either the location and nature of the proposed Project, or the Financial Assistance being contemplated by the Agency in connection with the proposed Project. A copy of the Application filed by the Company with the Agency with respect to the Project, including an analysis of the costs and benefits of the Project, is available for public inspection during business hours at the offices of the Agency. A transcript or summary report of the hearing will be made available to the members of the Agency.
