

**Chemung County Capital Resource Corporation
Annual Investment Report
For the year ending December 31, 2016**

New York State law governs the Chemung County Capital Resource Corporation's (the Corporation) Investment Policies. Collateral is required for demand deposits, certificate of deposit, and repurchase agreements not covered by federal deposit insurance. Obligations which may be pledged as collateral are obligations of the United States and its agencies and obligations of the State and its municipalities and school districts.

The Corporation has a formal investment policy which is in compliance with the laws of the State of New York, Chapter 838, Title 7, Section 2925. The Corporation is permitted to invest funds in the following types of investments: special time deposit accounts, certificates of deposit, obligations of the United States of America, obligations guaranteed by agencies of the United States of America where payment of principal and interest are guaranteed by the United States of America and obligations of the State of New York. All deposits of the Corporation are public funds and shall have a pledge of collateral by the bank or trust company in which the funds are deposited. The Treasurer of the Corporation will determine the amount and length of time all funds are to be invested. The Corporation will maintain relationships with the banks or trust companies doing business with the Corporation and secure the best possible return. The Corporation will prepare any reports requested by the Board to aid in monitoring the Corporation's investment policy and performance.

There were no fees, commissions and charges paid by the Corporation.

The amounts on deposit in banking institutions and the related collateral as of December 31, 2016, are as follows:
